- **Journal of Medical Case Reports** (N/A) <http://jmedicalcasereports.com/info/instructions>
- **American Journal of Case Reports** : <http://www.amjcaserep.com/page.php?IDpage=210&p=4>
(Cost to publish)
- **Consultant Peer Reviewed Consultations in Primary Care** <http://www.consultantlive.com>

¹IF= impact factor. In a given year, the impact factor of a journal is the average number of citations received per paper published in that journal during the two preceding years.^[1] Impact factors are calculated yearly for those journals that are indexed in Thomson Reuter's [Journal Citation Reports](#). The IF reported here were calculated in 2009 and have been rounded up to one decimal point.
